Positive Behavioral Supports

2 day Training

June 10 and June 24, 2020

Positive Behavioral Supports Training

This two day workshop is designed for staff in supervisory and program management roles that serve individuals struggling with behavioral challenges. The comprehensive workshop will go over the Functional Assessment tool and its proper implementation, as well as how to apply the results and various behavioral principles when writing a behavioral support plan. Because of the interactive nature of the training, participants will have the opportunity to begin developing a positive support plan during the class. A wide variety of different assessment tools and resources will be shared with participants.

Prior to Attending this Training:

Participants are encouraged to complete the Positive Support Rule (MN Rule 9544) training offered through MN DHS Trainlink.

Please note: Participation in this training alone does not meet all specifications to write Positive Behavior Support Plans per 245D Licensing specifications.

Participants must attend both days of this training
